

WHO WE ARE

Since 1938, Charlotte Rescue Mission has been transforming lives in Jesus' name. Through our 120-day residential drug and alcohol recovery program, we serve those at the intersection of homelessness and addiction at no cost to them so that those we serve can achieve their greatest God-given potential.

OUR PROGRAMS

Rebound for men and **Dove's Nest** for women & children are our core programs. Both are 120-day residential recovery programs where residents work with professional counselors to uncover the root causes of their addiction.

Recovery Living gives graduates the opportunity to live in affordable, safe, recovery-oriented housing for up to two years upon graduation from one of our core programs.

Community Matters Café is our Life Skills program for graduates of our core program. While working in a fast-paced restaurant environment, students learn crucial life and employment skills to set them up for future success.

THE RESULT

We served 687 men and women in 2021.

Of 2021 graduates surveyed six months after graduation,

94% remained clean and sober

99% lived in stable housing

97% maintained financial stability

99% were involved in a healthy community.

NEEDS WE ADDRESS

ADDICTION

While in our program, residents work with licensed professional counselors to uncover the root causes of their addiction.

HOMELESSNESS

Over 90% of our residents are homeless when they arrive. Through our Recovery Living program, we work closely with residents for two years following graduation to ensure their long-term success.

COMMUNITY DEVELOPMENT

The community cost of an addicted person cycling through jails, hospitals, and shelters for 30 years is approximately \$300,000. Restoring those who face addiction improves the health of our entire community.

BEYOND RECOVERY

Financial and Digital Literacy:

While in our program, residents have the opportunity to take classes in our learning center on digital literacy, budgeting, resume building, and more.

Workforce Development:

When graduates complete our program, we partner with local employers, universities, and more to provide graduates opportunities to develop their skills and thrive.

The Newsweek logo is displayed in white text on a red rectangular background.

In 2021, Charlotte Rescue Mission was named the #1 addiction recovery center in North Carolina by Newsweek Magazine.
